

# Master in European Union Studies: Cultures and History, Policies and Global Perspectives

- **12 months**
- **60 ECTS**
- **First Level Master**
- **Online**
- **Language: English**

## THE MASTER

The aim of the **Master in European Union Studies** is to train interdisciplinary professional figures, experts in European law and policies, making them acquire operational and professional skills suitable to participate in the different stages of European policy making and implementation.

## YOUR CLASSROOM IS THE WHOLE WORLD

Thanks to UNINETTUNO's psycho-pedagogical model, our students have 24/7 access to the online learning platform wherever they are. They join virtual classes coordinated by teacher-tutors, with the opportunity to interact with fellow students from around the world.

## CAREER OPPORTUNITIES

- NGOs and non-profit organizations
- Private companies
- Consulting firms
- Ministries and other public institutions at local, national and international levels

## STUDY PLAN

### Online Courses:

- European History and Culture
- History, Institutions and Protagonists of the EU
- Foreign Policy of European Union and Global Context
- The Global Trade Policy of the European Union
- The Economics of European Integration and Sustainable Development
- European citizenship and fundamental rights in the digital society
- European Funding and Europlanning

The Master's program is intended for those who want to enhance their knowledge of the dynamics regulating the activities of the European Union, particularly from a legal and administrative perspective.
