

Global DBA – Doctorate in Business Administration

- **3 years**
- **Advanced Professional Training Course**
- **Online**
- **English Language**

THE MASTER

The **Global Doctorate of Business Administration** has been designed by the Faculty of Economics of the UNINETTUNO University to equip leaders with the skills needed to create and develop businesses, while enhancing and transforming their leadership capabilities. This three-year program combines advanced management theory and practice with in-depth training in research methodologies and techniques.

YOUR CLASSROOM IS THE WHOLE WORLD

Thanks to UNINETTUNO's psycho-pedagogical model, our students have 24/7 access to the online learning platform wherever they are. They join virtual classes coordinated by teacher-tutors, with the opportunity to interact with fellow students from around the world.

CAREER OPPORTUNITIES

- Business Consultant
- C-Suite Executive
- Economist
- Organizational Development Manager
- Government Program Manager

STUDY PLAN

Online Courses:

- Globalization and Economic Policy
- Research Methods
- Research in Organizational Dynamics
- Research in Business Statistics
- Research in Business Administration and Strategy

The aim of the UNINETTUNO **Global Doctorate of Business Administration** is to support international professionals who wish to expand their expertise, make a meaningful contribution to their organizations, and transform the way they work.

The program enables students to directly apply newly acquired knowledge to their professional practice as they progress through their studies.
